28. Statements obtained.

I contacted Victim [redacted] who was standing inside her residence at [redacted] in the city of East Valinda, looking outside. V/[redacted] said her attention was focused on her vehicle which was parked directly in front of her residence on [redacted] V/[redacted] saw an individual (suspect) sitting on the curb directly in front of her vehicle wearing a navy blue shirt and had curly hair. V/[redacted] heard deputies order the suspect to place his hands up. The suspect then tried to run from deputies. V/[redacted] stated she did not see anything else occur between the suspect and the deputies. She stated she heard a bunch of screaming and nothing more V/[redacted] stated when she first saw the male suspect she noticed the front driver's door was wide open and the dome light inside her vehicle was on. V/[redacted] was certain the driver's door was secured and locked prior to leaving it parked on the street V/[redacted] believed the suspect had broken into her vehicle because the driver's door was open and the male was sitting on the curb directly in front of her vehicle. I asked V/[redacted] if there was anything else she remembered about the incident and she stated she heard someone say, " I think I broke my leg, my leg is broken". V/[redacted] did not see who made that statement. V/[redacted] positively identified the individual being detained by deputies as the person who burglarized her vehicle. V/[redacted] stated she did not hear or see anything further and therefore could not provide additional statements.

I contacted Witness [redacted] who was inside his residence at [redacted] in the city of East Valinda. Witness [redacted] told me while inside his residence he heard people outside laughing. He opened his front door and looked outside through his closed metal security door. Witness [redacted] saw the dome light inside his vehicle was on and there was one person (suspect) standing outside of his vehicle, looking inwards. Witness [redacted] assumed there were two people outside so he called 911 for help. Witness [redacted] told me he called 911 because he believed those individuals were currently breaking into his vehicle. Witness [redacted] said the individual looking into V/[redacted] car was standing near the passenger side of the vehicle Witness [redacted] added that the car door was wide open and the interior dome light was on. Witness [redacted] assumed the second person was inside his vehicle because the dome light was on Shortly after calling 911, Witness [redacted] saw deputies arrive and make contact with the suspect he saw burglarizing V/[redacted] vehicle. Witness [redacted] saw the suspect attempt to run away from deputies. Witness [redacted] saw deputies grab the suspect and tackle him to the ground. Deputies apprehended the suspect and tried handcuffing him Witness [redacted] told me he saw deputies, "Beat his ass and try to put him in handcuffs I guess" I asked Witness [redacted] to explain what he meant by his comments and he replied, "Deputies "ganged up" on him and started beating him up " I asked Witness [redacted] to further explain what he meant by "beating him up" and he replied, "You know, trying to get him in handcuffs I guess." I asked Witness [redacted] if he saw any deputies struggling with the individual and the individual fighting with deputies and he replied, "Oh yeah, for sure." I asked him if there was anything else he saw or heard and Witness [redacted] told me heard someone saying something about a broken leg I confirmed with Witness [redacted] if the person being detained outside by deputies was the same person he saw burglarizing V/[redacted] vehicle and he said, "More than definitely it's him." Witness [redacted] did not hear or see anything else happen between the deputies and the suspect.

I contacted Witness [redacted] Witness [redacted] refused to make any video recorded statements but agreed to speak to me regarding the vehicle burglary which took place next door to where she was staying at Witness [redacted] was visiting a friend who lives at [redacted] At approximately 0200 hours she heard the sound of a car horn honking for approximately 15 minutes. Witness [redacted] walked outside of her friend's residence to check if her friend's vehicle was being broken into. Upon walking outside she saw a male Hispanic wearing a black jacket, sitting on the driver's seat of a black Honda I asked Witness [redacted] to show which vehicle she saw the male Hispanic sitting in and she pointed to V/[redacted] vehicle. Witness [redacted] told me the male Hispanic looked at her and asked her for cigarette. Witness [redacted] walked over to the male and gave him a cigarette. Witness [redacted] told me she immediately felt something was not right with the male because he was laughing out loud for no apparent reason. Witness [redacted] stated she later saw the male exit the vehicle and place stickers on the windshield and on the front bumper near the driver's side door. Witness [redacted] walked across the street and out of view of the male because she wanted to keep an eye on him in case he tried to burglarize her friend's vehicle. I asked Witness [redacted] why she felt the need to keep an eye on him and she replied," Because I don't think the car I saw him in was his. I felt like he broke into it." Sometime later Witness [redacted] saw deputy personnel arrive so she decide to return to her friend's residence. Before she could enter the property, Witness [redacted] was detained by a deputy and placed in the backseat of a patrol vehicle.

Witness [redacted] did not hear or see anything that happened between deputies and the male she saw inside the black vehicle

TRAINING REVIEW

48. List any training and/or tactical concerns, implications, or recommendations.

- [x] Investigating Supervisor

Although personal weapons are an option to use during a use of force incident, I believe training and briefing should be conducted to teach deputies alternative methods of performing hand strikes while avoiding or minimizing risks of injuring their hands. If personal weapons are a necessary option during a use of force, it is my recommendation that deputies consider/practice using an open palm or a "hammer type' punch instead of a traditional forward facing punch.

DETERMINATION BY REVIEWER

The Department will determine the reasonableness of the use of force by evaluating each use of force event in light of the circumstances known to the involved deputy at the time of the incident. The following are examples of factors that may be considered in determining if the force that was used in a given situation was objectively reasonable:

- Whether the suspect poses an immediate threat to the safety of the deputy or public;
- The severity of the crime;
- Whether the suspect is actively resisting arrest or attempting to evade arrest;
- Whether the suspect has been given a reasonable opportunity to calm down, moderate aggressive and irrational behaviors and comply with directives;
- The availability of other options to de-escalate the situation and their possible effectiveness;
- The risk and foreseeable consequences of not immediately apprehending the suspect,
- Factors such as age, size, relative strength, skill level, etc.;
- Prior contacts with the suspect(s) and/or knowledge of a suspect's propensity for violence;
- The level of threat or resistance presented by the suspect;
- Whether there is information suggesting the suspect's intention or objective;
- The suspect's verbal and non-verbal threat cues;
- Whether the suspect has an audience or supporters;
- The proximity, possession or access of weapons to the suspect;
- The number of suspects;
- The deputy's training, experience, and fitness;
- The suspect's training, experience, and fitness;
- The deputy's distance from the suspect;
- The availability of additional law enforcement personnel;
- Amount of incapacitation to deputy or suspect due to fatigue or injury;
- The influence of drugs and/or alcohol on the suspect;
- The mental capacity or mental health of the suspect;
- The time available to a deputy to make a decision;
- Environmental factors such as weather, lighting, footing, availability of cover, or location (ex. confined space),
- The availability of other resources;
- Other exigent circumstances.

Based on a review of all information provided, was the application of force objectively reasonable?

☑ Yes
☐ No (If no, explain)

Conclusions:

Due to the suspect actively fighting with deputies and failing to comply with their numerous commands to stop fighting, coupled with multiple deputies sustaining injuries while trying to take the suspect into custody, the use of force applied was necessary in order to overcome the suspect's resistance and

place him under arrest.

Recommendations or Corrective Action taken:

I recommend no further action.

I responded to [redacted] East Valinda regarding a burglary now call, tag-18. While driving to the above address I heard emergent radio traffic by Unit 144F (Deputy Nelson #[redacted]) stating Deputies were involved in a fight.

Upon my arrival, I observed Unit 142 (Deputy Merrick #[redacted] V/2) sitting upright on the sidewalk in front of the residence. Deputy Merrick's right leg was crossed over left leg. His right leg appeared to have a significant disfigurement toward the ankle area. Unit 147B (Deputy Escalante #[redacted] was rendering first-aid to Deputy Merrick. Deputy Merrick appeared to be in excruciating pain by yelling "My leg is broken!" and asked not to be moved because any little movement would cause unbearable pain.

Approximately 10 feet away from Deputy Merrick I observed Unit 141K1 (Deputy Rodriguez #[redacted], Unit 143K3 (Deputy Pombal #[redacted]), Unit 143T2 (Deputy Adamo #[redacted], and Unit 144F (Deputy Rivera #[redacted] fighting with the suspect on the ground. I heard numerous Deputies ordering the suspect (Joseph Perez MH/030398) to stop fighting. The Deputies were able to place the suspect onto his stomach and apply handcuffs. See Deputies Pombal, Rivera, Adamo, and Rodriguez supplemental reports for further.

Los Angeles County Fire Department Engine 118 responded to our location under the supervision of Captain Vasquez to treat Deputy Merrick and the suspect for their injuries. Deputy Merrick was transported to Pomona Valley Hospital where he was treated by Physician Douglas and given a medical record number of #[redacted] The suspect was transported to Queen of the Valley Hospital by Unit 141 (Deputy Capilla #[redacted] where he was treated by Physician Gilman with a medical record number of #[redacted] See Deputy Capilla supplemental report for further. Deputy Pombal and Deputy Adamo were also transported to the hospital for their injuries. See Deputy Pombal and Deputy Adamo supplemental report for further.

I contacted Deputy Nelson who arrived on scene simultaneously with Deputy Merrick and he told me the following:

As Deputy Nelson arrived on scene he and Deputy Merrick approached the suspect who was tampering with a 2002 Honda Civic (License #[redacted]. The suspect was toward the hood of the vehicle as they approached from the rear of the vehicle. While wearing a full Class A uniform with a name plate, badge and two Los Angeles County Sherriff patches (one on each shoulder) Deputy Merrick identified himself as law enforcement and attempted to grab the suspect. The suspect swung both of his fists striking Deputy Merrick in the upper torso. The suspect back peddled while continuing to assault Deputy Merrick. Deputy Merrick attempted to pin the suspect against a metal gate at the aforementioned address. The suspect again punched Deputy Merrick on the face with his right fist. Deputy Merrick took the suspect to the ground and landed near the curb line. Deputy Merrick stated "my leg is broken." Deputy Nelson dragged Deputy Merrick away from the suspect as Deputy Adamo and Deputy Rivera attempted to gain control of him. Deputy Nelson rendered medical aide to Deputy Merrick and requested deputy assistance and medical rescue.

I contacted [redacted] FH/[redacted] (herein referred to as V/1) who told me then following:

At approximately 0220 hours her [redacted] MH/[redacted] herein referred to as W/1) walked into her room while on the phone with 911. W/1 told V/1 someone is breaking into your car. V/1 looked out through her front door and saw an unknown person wearing a black jacket (EV-2) sitting on

the curb line in front of her car. Moments later she saw Deputies approach the suspect. The Deputies gave the suspect verbal commands to put his hand up and the suspect refused to comply with the Deputies commands. The suspect tried to run southbound on [redacted] Avenue and V/1 closed her front door. Seconds later she heard a male yell "My leg is broken!" V/1 opened her front door and saw Deputies fighting with the suspect on the ground near the rear of the vehicle. While fighting the suspect she heard Deputies giving multiple commands to "stop fighting." The Deputies were able to place the suspect on his stomach and apply handcuffs.

I contacted W/1 ([redacted]) who told me the following:

At approximately 0220 hours he got up to use the restroom. While walking to the restroom he overheard people laughing near the front of his residence. W/1 looked out of the front door and saw the driver side door was open, the lights inside of the vehicle were on and the suspect who was wearing a black sweater was standing by the passenger side door looking into V/1 vehicle. W/1 called 911 and told V/1 someone was breaking into her vehicle. Prior to Deputy Personnel arrival the suspect was laying on the ground under the front bumper looking upwards. Deputy Personnel arrived and ordered the suspect to show his hands but the suspect refused. The suspect began back peddling swinging his arms. The Deputies pushed the suspect against a gate in front of the residence. The suspect attempted to swing his arms at the Deputies to get away from them. Seconds later the suspect and the Deputies were on the ground near the rear of the vehicle. W/1 on heard someone yell "My leg is broken!" W/1 heard the Deputies give multiple commands for the suspect to stop fighting and the suspect refused. The Deputies were able to place the suspect on his stomach and apply handcuffs.

I contacted [redacted] FH/[redacted] (herein referred to as W/2) who told me the following:

She currently resides [redacted] but she was visiting a friend that lives at [redacted] Avenue, East Valinda. At approximately 0200 hours she heard a car horn honking for approximately 10-15 minutes. She looked outside and saw a male Hispanic approximately 20 years old wearing a black jacket (EV-2) sitting in the driver seat of V/1 vehicle. The suspect saw W/2 and asked her for a cigarette. W/2 gave the suspect a cigarette and walked across the street to keep an eye on the suspect. Deputy Personnel arrived on scene, and gave the suspect verbal commands. The suspect refused to follow the commands. The Deputies approached the suspect and W/2 looked away. W/2 did not see or hear the physical altercation. W/2 tried to enter [redacted] Avenue and Deputy Personnel detained her pending a burglary investigation.

Unit 147B (Deputy Saldana #[redacted]) read W/1 the field identification of suspects card (per SH-CR-546) and conducted a field show up. W/1 positively identified the suspect as the person who he saw looking into the V/1 vehicle. When asked how he knew the person we detained was the suspect he stated, from the time he called 911 he never lost sight of the suspect, until the suspect was taken to the ground.

We contacted V/1 a second time regarding her vehicle and she stated it was locked prior to the incident. We had V/1 search her vehicle for any missing property or identifiable damage. V/1 did not see any damage to her vehicle nor could she identify any stolen property, however inside of her vehicle she located a cammo hat (EV-1) located on the dashboard of the vehicle, a black jacket (EV-2) belonging to the suspect on the passenger seat.

I walked the outer perimeter of the vehicle and observed no visible damage to the vehicle or any sign of forced entry. The point of entry is unknown, the point of exit is the open driver side door.

Based on the above interviews coupled with my observation I arrested the suspect for resisting an executive officer, a violation of 69 (a) PC. I additionally charged the suspect with burglary (vehicle), a violation of 459 PC.

I canvassed the area for cameras, however I was unable to locate any.

All evidence was recovered on scene and booked at Industry Station. All photographs taken were uploaded to the detective shared files.

V/1 was given a report memo.

The suspect was transported from Queen of the Valley Hospital to Industry Station by Unit 147 (Deputy Bray #[redacted] and Deputy Rodriguez # [redacted]. See their supplemental report for further.

The suspect was booked at Industry station with the approval of Watch Commander, Lieutenant Long # [redacted]

It should be noted the suspect was arrested on 07-15-20 for being under the influence of a controlled substance (Methamphetamine), a violation of 11550 (a) HS and possession of drug paraphernalia, a violation of 11364 (a) HS under file number 920-07010-1435-183. The suspect was also arrested on 07-25-20 for being under the influence of a controlled substance (Methamphetamine), a violation of 11550 (a) HS under file number 920-07361-1442-183. The suspect is on probation for robbery with an expiration date of 03-03-23. I attempted to call his Probation Officer [redacted] ([redacted] to place a hold, however she did not answer.

Deputy Merrick was unable to provide an initial report due to the injuries he sustained during the incident. See Deputy Merrick supplemental report for further information regarding his actions.

I reported my witness of force to Sergeant [redacted] #[redacted] Sergeant [redacted] initiated a use of force investigation.

NARRATIVE

The purpose of this Supplemental Report is to provide additional information to document my use of force and observations during the arrest of Joseph Perez (later identified as the suspect).

While assigned as 142, I (Deputy Merrick #[redacted] responded to [redacted] Avenue in the unincorporated city of East Valinda, regarding a burglary call (T-18).

Upon arriving at the location, I saw a male Hispanic (later identified as the suspect) who matched the description of the disturbing party in the call, standing in front of a vehicle (CA [redacted]. The suspect appeared to be removing the front license plate.

I approached the suspect on foot and ordered the suspect to show me his hands and walk to me. The suspect did not comply with my orders so I walked towards him. Once I was within an arm's distance from him, the suspect tried to run away. I immediately grabbed his right arm with my right hand. The suspect turned towards me and punched me two to three times on my neck and face. I grabbed the suspect's other arm and forced him against a fence at the above address. The suspect was able to overcome my hold and again struck me two to three more times on my face and head. I attempted to utilize a departmental take down but the suspect pushed me backward causing me to stumble off the curb line. I immediately felt an excruciating pain on my right lower leg and ankle area. Both the suspect and I fell to the ground between the above vehicle and the curb line.

When I fell to the ground, I heard a loud "pop" noise and immediately felt a sharp pain to my right leg.

The pain to my right leg was overwhelming and I screamed to Deputy Nelson #[redacted] that my leg was broken. Simultaneously the suspect punched me with both hands, striking my upper torso. The suspect kicked me on my right leg several times causing me pain. Deputy Nelson then positioned himself behind me and he pulled me away from the suspect.

My right leg appeared disfigured and the pain was excruciating. As a result I did not witness any additional use of force against the suspect.

I was transported to Pomona Valley Hospital for medical treatment.

I notified Sgt. [redacted] # [redacted] of the force I used.

NARRATIVE

The purpose of this Supplemental Report is to provide active additional information to document my use of force and observations during the arrest of Joseph Perez (later identified as the suspect).

While assigned as 144F, we (Deputy Nelson #[redacted] and I) responded to [redacted] Avenue in the unincorporated city of East Valinda, regarding a burglary in progress call (T-18).

We arrived at the location in tandem with unit 142 (Deputy Merrick #[redacted]). I saw Deputy Merrick exit his patrol vehicle. Deputy Nelson and I stepped out of our patrol vehicle and Deputy Nelson approached the above location with Deputy Merrick. I stood back approximately 30 to 40 feet from Deputy Merrick in the event any suspect(s) ran towards me. I noticed an unknown male (later identified as the suspect) standing in front of a vehicle (CA [redacted].

I heard Deputy Merrick order the suspect to walk towards him. The suspect did not respond to Deputy Merrick's orders. Deputy Merrick walked within an arm's length from the suspect and attempted to grab the suspect's right arm. The suspect twisted his body and attempted to run away from Deputy Merrick. The suspect punched Deputy Merrick with both fists several times hitting Deputy Merrick on the upper torso and face.

Deputy Merrick grabbed the suspect's shirt near the front of his shoulders and pushed him against the front fence line of the aforementioned address. The suspect again punched Deputy Merrick with both fists. Deputy Merrick spun the suspect away from the fence in a counter clockwise direction. Deputy Merrick and the suspect fell to the ground near the curb line. I heard Deputy Merrick scream, "My leg is broke." Deputy Merrick and the suspect were lying on their sides facing each other. The suspect kicked Deputy Merrick on his right leg several times and punched him on his chest.

I positioned myself on the left side of the suspect's upper torso and he began hitting me on my upper torso area.I ordered the suspect "stop fighting" numerous times as I punched him on his facial area approximately 3-5 times. I heard Deputy Merrick yell, "my leg, my leg" and I saw him attempting to drag his body away from the suspect by utilizing the curb to pull himself with both hands. I feared the suspect was going to escalate his action by grabbing one of Deputy Merrick's weapons and use it against us. While the suspect was facing Deputy Merrick, I wrapped my arms around the suspect's upper torso and applied my body weight in an effort to pin him against the ground.

The suspect and I were on the ground and the suspect grabbed my face, near my eye, and kicked his legs in the direction of Deputy Merrick. I continued to order the suspect "stop fighting" numerous times, but the suspect continued to assault me. I felt exhausted and was having trouble breathing.

Noticing my control hold around the suspect was not effective, I again punched the suspect approximately 8-10 times in the upper torso and head area. My punches to his upper body area were not having the desired affect and I believed I needed to switch my use of force options. I contemplated using my OC Spray, but because of our close proximity I felt I would be affected by ricochet's of O.C. spray. I could not reach my Taser and because the lack of distance between us I would not be able to achieve an effective prone spread. I continued to punch the suspect's head striking him approximately ten more times. I then heard and felt unknown deputies assist me with the apprehension of the suspect. I was unable to identify the deputies, due to the fact, I was dizzy and facing the ground.

While punching the suspect on the top of his head, I felt a sharp pain in my left hand and wrist preventing me from continuing to punch the suspect. The suspect continued to punch me in my upper body area. I felt I was going to pass out from exhaustion at this point. I once again ordered the suspect to "stop fighting" numerous times, but he did not stop. I switched my use of force option due to the injury I sustained in my left hand/wrist while punching him on the head. I repositioned my body toward the suspect's lower torso in hopes the suspect would stop punching me. I placed my right shin across the suspect's lower torso and applied my body weight in attempt to hold him down and I began striking the suspect with my knee on the left side of his abdomen area approximately 5-10 times. After a short period of time, the suspect stopped fighting and unknown deputies and I managed to force the suspect onto his stomach.

Unknown deputies gained control of the suspect's right arm. I grabbed the left arm and placed it behind his back. The unknown deputy handcuffed his left arm. After the suspect was in handcuffed, unknown deputies and I turned the suspect on his side and placed him in a recovery (side resting) position.

Los Angeles Fire Department Engine 118 responded to our location. Paramedic personnel asked me to assist them by rolling the suspect on his back so they could provide medical aid to him.

I notified Sergeant [redacted] of my use of force and advised him of the possible injury I sustained to my left hand and wrist. Sergeant [redacted] instructed me to go to Pomona Valley Hospital to be evaluated by medical personnel.

This concluded my involvement in the above incident.

While assigned as Industry Station Unit 143T2 /EM, I responded to [redacted] Avenue in the unincorporated area of East Valinda regarding a burglary in progress call (Tag-18).

I arrived at the call along with 142/EM Deputy Merrick (#[redacted]), 144F/EM Deputy Nelson (#[redacted] and Deputy Rivera (#[redacted]). Deputy's Merrick and Nelson walked north bound on [redacted] Avenue towards the vehicle which was being burglarized. Deputy Rivera and I walked up the sidewalk to the vehicle to prevent any possible suspect(s) from being able to flee south bound.

While walking towards the vehicle, I saw a male Hispanic (later identified as S/Perez) dressed in all black clothing, stand up from in front of the vehicle. I heard Deputy Merrick give S/Perez verbal commands to get on the ground. S/Perez pushed Deputy Merrick in an attempt to get away. Deputy Merrick immediately grabbed S/Perez and attempted to control him by pinning S/Perez against a rod iron gate. S/Perez was swinging both of his fists at Deputy Merrick's head and face. While Deputy Merrick was attempting force the suspect onto the ground, S/Perez continued to punch Deputy Merrick on his head and face with his fists. As I was running to assist Deputy Merrick, I saw his foot fall off the curb between the victim's vehicle and the sidewalk. I heard a loud "pop" noise and I saw Deputy Merrick fall to the ground in apparent agony. I heard Deputy Merrick scream, "I just broke my leg." I saw S/Perez laying on the ground beside Deputy Merrick, punching and kicking him. Fearing for Deputy Merrick's safety, I began striking S/Perez on the head and face with both my right and left fists. Deputy Rivera#[redacted] wrapped his arms around S/Perez from behind and pulled him away from Deputy Merrick. I yelled for Deputy Nelson to assist Deputy Merrick and take him to a safe area. S/Perez continued fighting with Deputy Rivera and I. While on the ground, struggling to overcome the resistance of S/Perez, he punched me on my left upper arm and chest area.

As I gave several verbal commands for S/Perez to stop fighting he continued kicking and punching at Deputy Rivera and I. I continued to use personal weapons hitting S/Perez with both my left and right fist on his abdomen and groin. I hit S/Perez approximately ten (10) times on his abdomen and groin as S/Perez kicked and punched me. S/Perez then kicked me on my upper knee causing me severe pain.

I transitioned to S/Perez's upper body in an attempt to control him. I could see Deputy Rivera struggling with S/Perez's arms while on top of him. S/Perez was still lying on his back punching Deputy Rivera. As I transitioned to control S/Perez's left arm he elbowed me on the right side of my cheek and temple causing me significant pain. I began striking S/Perez on his face with my right fist and continued to give verbal commands for him to stop fighting. It was at this time Deputy's Pombal (#[redacted], Rodriguez (#[redacted] and Saldana (#[redacted]) arrived on scene to assist us. I struck S/Perez approximately ten (10) times on the head and face. While striking him I began feeling a sharp pain in my right hand.
I told Deputy's Pombal, Rodriguez and Saldana, I believed my hand was broken.

They took over attempting to control S/Perez's upper body while I transitioned myself my body in order to place my right shin over S/Perez's right and left thighs We were able to gain control of S/Perez and roll him onto his stomach Deputy Pombal and Rivera were able to place a handcuff on S/Perez's right wrist and place it behind his back. I took control of S/Perez's right arm while assisting deputies were able to secure his left wrist in handcuffs without further incident.

Deputy Pombal and I rolled S/Perez on his left side and awaited for Los Angeles County Fire to arrive and treat the suspect.

This concluded my involvement in the above incident.

I immediately positioned my body near the upper torso/ face area of S/Perez and gave him several commands, to "stop fighting" S/Perez ignored my orders and continued fighting us In order to force him to comply with our orders and stop fighting us, I punched his face and upper torso area approximately 10 times. S/Perez continued to move his body from side to side and used his elbows to strike Deputy Adamo and Deputy Rivera. S/Perez tried to position his hands behind his body away from deputy personnel. I continued to give verbal commands, "stop fighting" and S/Perez had total disregard. I heard unknown deputy personnel continue to give verbal commands to stop fighting as well.

I struck S/Perez approximately 7 more times on his face using the side of my fist. My heart was beating extremely fast, my breathing was heavy, and I was becoming exhausted. I repositioned myself to the torso area of S/Perez and continued to give verbal commands, "stop fighting " S/Perez continued to have total disregard and continued to pull his hands away from deputy personnel and kick his legs from side to side, trying to strike deputy personnel. I punched S/Perez approximately 5 times in the torso area with both fists. I heard Deputy Adamo say, "My hand is broken, my hand is broken:" Due to exhaustion and not being able to have access to S/Perez' hands, I felt unknown deputies relieve me from my position and assist with the apprehension of S/Perez. I was unable to identify the deputies, due to the fact of the low lighting, dizziness, and exhaustion.

Unknown deputies gained control of the suspect's arms, forced S/Perez onto the ground, placed both of his hands behind his back, and handcuffed S/Perez. I immediately attended to the aid of Deputy Merrick who was sitting on the ground and had signs of shock due to his injury.

I immediately notified Sergeant [redacted] #[redacted] of my use of force.

While assigned to 143K3, I responded to [redacted] Avenue in East Valinda regarding a burglary to a vehicle in progress (T-18).

Prior to my arrival, I heard over my handheld radio emergent traffic stating Unit 144F (Deputy Nelson # [redacted] was involved in a fight at the above location. Upon my arrival, I observed multiple deputies on the ground involved in a physical altercation with a male (later identified as S/Perez). I saw Unit 142 (Deputy Merrick #[redacted]) on the ground lying on his back, grunting and moaning in apparent agony. Deputy Merrick had both arms crossed holding his chest, and his right leg was resting on top of his left leg. Deputy Merrick continued to yell out, "My leg is broken, my leg is broken!" I looked closer towards Deputy Merrick's legs and observed an obvious deformation to his right ankle.

Simultaneously I could hear multiple deputies yelling multiple commands to stop fighting I directed my attention towards the altercation and saw deputies grunting in pain. I observed the suspect viciously flailing his legs and hands, landing multiple punches and kicks to various parts of the deputies bodies. I ran towards the deputies and knelt towards the upper torso of the suspect. I heard Deputy Rodriguez #[redacted] breathing heavily and leaning towards his left side I immediately repositioned myself in Deputy Rodriguez's position and attempted to gain control of the suspect's hands I gave the suspect multiple commands to stop fighting and give us his hands. The suspect had total disregard to my commands and continued to swing both hands towards my face and my upper torso area. Using both fists, I punched the suspect on his face approximately 10 times. Fearing the suspect would gain control of the multiple writing utensils I keep in my front shirt pocket and use them to cause great bodily injury to myself or my partners, I attempted to gain control of his hands. I continued to order the suspect to stop fighting and punched the suspect on his face, with both of my fists, approximately 10 times. As I punched the suspect, I observed the suspect continue to viciously flail his arms around. It became apparent to me that my punches had little to no affect on the suspect. The suspect continued to punch and kick the deputies and myself multiple times in the upper torso area. The suspect then forcefully placed his left hand near the left side of his body and concealed it underneath him, The suspect continue to yell obscenities and moved his right hand over his face.

Due to the lack of adequate lighting, I was unable to see the suspect's left hand and informed my partners I no longer could see his left hand. I reached towards the suspect's face and attempted to gain control of his right hand. The suspect aggressively squeezed my left knuckle and I felt a stabbing pain travel from the knuckles of my hand to my elbow. I began to feel fatigue and strain on my body, hands and left arm. I felt my heart begin to beat faster and using the strength I had left, I pulled my left hand away from the suspects grasp Using both of my hands, I reached towards the suspect's right forearm and forced it across his body. With the assistance of Deputy Rivera # [redacted] we successfully handcuffed the suspect's right hand. I gave Deputy Adamo #[redacted] control of the suspect's right hand while simultaneously rolling him onto his stomach. Once on his left side, the suspect's left hand was exposed from underneath his body. I gained control of the suspect's left wrist and brought it towards the empty handcuff Fearing the suspect would attempt to pull out of my control, I requested assisting deputy personnel to handcuff the suspect's hands together.

Once the suspect was handcuffed, we placed him in the recovery position (laying on his side) without further incident. We awaited the arrival of LA County Fire Paramedics to provide medical treatment to myself and injured deputy personnel and the suspect. Confident the suspect was secured and with the additional deputy personnel arriving to the location, I sat back on my ankles due to the exhaustion, dizziness and excruciating pain coming from my hands and left arm. I began to catch my breath, stood up and walked away from the incident attempting to retrieve medical treatment from the paramedics that arrived. I began to feel numbness in my right and left hands and a tingling sensation to my left arm. This concluded my involvement in the above use of force.

I immediately notified Sergeant [redacted] # [redacted] of my actions and injuries regarding the above incident. Deputy Rodriguez transported Deputy Adamo and I to Pomona Valley Hospital via radio car to be treated for our injuries.

While assigned as Industry Station Unit 147B/EM, Deputy Escalante (# [redacted] and I, responded to [redacted] Avenue in the unincorporated area of East Valinda regarding a burglary in progress call (Tag-18).

While responding to the incident, I heard over my handheld radio, emergent radio traffic from Unit 144F (Deputy Nelson # [redacted] that a deputy was involved in a fight. Upon my arrival, I immediately saw Deputy Merrick (# [redacted]) on the ground screaming, "My leg is broken, my leg is broken!" As Deputy Escalante and I approached Deputy Merrick to render aid I saw Deputy Merrick's right leg positioned over his left leg and apparent deformation on his right ankle and leg.

While assisting Deputy Merrick, I heard behind me deputy personnel yelling "stop fighting, stop fighting." I turned around and observed Deputy Adamo (# [redacted], Deputy Pombal (# [redacted], Deputy Rodriguez (# [redacted]) and Deputy Rivera (# [redacted] struggling on the ground with a male Hispanic adult (identified as S/Perez) trying to control and handcuff him As I approached the deputies I saw S/Perez on his back punching and kicking the deputies multiple times I heard Adamo yelling, "My hand is broken". I heard Deputy Pombal yelling, "My wrist is broken " I immediately ran towards the deputies to assist them. Fearing S/Perez' kicks and punches could severely hurt the deputies, I punched S/Perez approximately 6-8 times in the left and right side of his rib cage and approximately 5-6 times on his face and upper torso.

NARRATIVE

The purpose of this Supplemental Report is to provide active/additional information regarding the above incident.

We (Deputy Rivera #[redacted] and I) responded to [redacted] Avenue in the unincorporated city of East Valinda, regarding a burglary call (T-18).

I responded to the above location in tandem with Industry Unit 142 Deputy Merrick #[redacted] I followed Deputy Merrick as we approached the indicated location from the south. Upon our arrival I exited my patrol vehicle and saw a male (later identified as S/Perez) tampering with the hood of a vehicle (CA [redacted]), which was parked along the east curb line.

I walked behind Deputy Merrick and heard him order the suspect to walk to him. The suspect did not respond to Deputy Merrick's orders so Deputy Merrick walked within arm's length of the suspect. Suddenly the suspect attempted to run away. Deputy Merrick immediately grabbed the suspect's right arm. The suspect twisted his body back and fourth appearing to try to break free from his grasp. The suspect punched Deputy Merrick with both fists. Deputy Merrick grabbed the suspect's left arm and momentarily pinned him against the front fence line of the above address. The suspect continuously swung both his fists at Deputy Merrick.

I saw Deputy Merrick force the suspect onto the ground. Deputy Merrick and the suspect landed on the curb line in front of me and I immediately heard a loud "snap". Deputy Merrick screamed his leg was broken. The suspect then kicked Deputy Merrick's right leg several times and punched Deputy Merrick's upper chest area. I saw Deputy Merrick's right leg had sustained significant injury. Deputy Merrick's right ankle was pointed in a 90 degree angle which appeared abnormal to me. I immediately feared he had sustained a compounded fracture. Deputy Merrick leaned away from the suspect and pulled his body along the ground as the suspect continued to assault him. Fearing for Deputy Merrick's safety, I grabbed him from underneath both armpits and dragged him approximately 20-30 feet away from the suspect.

I saw Deputy Rivera and Deputy Adamo #[redacted]were engaged in a physical altercation with the suspect. I heard them both ordering the suspect to stop fighting multiple times.

They (Deputy Adamo, Rivera, and the suspect) were still near the curb line, but it was extremely dark area with little to no ambient light. I did not witness any further force used against the suspect because I focused my attention on rendering first aid to Deputy Merrick.

Utilizing my departmental issued radio, I advised that deputies were involved in a fight and we needed medical rescue for Deputy Merrick. I kept Deputy Merrick's right leg immobilized and positioned myself behind him as a back rest.

I was relieved by Industry Unit 147B Deputy Escalante #[redacted]and she continued to render aid to Deputy Merrick. I approached the suspect who was no longer fighting and handcuffed. I saw the suspect had sustained injuries to his face and head and advised (via my handheld radio) we needed medical rescue for the him too. This concluded my involvement in this incident.

I notified Sgt [redacted] #[redacted] of the force I witnessed.

NARRATIVE

The purpose of this supplemental report is to provide active/additional information regarding my observations and actions in the above incident involving deputies and S/Perez.

While assigned as Industry Unit 147B, Deputy Saldana #[redacted] and I responded to [redacted] Avenue in East Valinda. Emergent radio traffic stated a deputy was involved in a fight.

We arrived at the location and saw unknown deputies detaining a male (S/Perez)on the east side of the sidewalk on [redacted] Avenue. As I approached the deputies, I saw Deputy Merrick (Unit 142) sitting on the floor approximately 10 15 feet north of where S/Perez and the unknown deputies were located. Deputy Merrick appeared to be in excruciating pain and discomfort while seated on the ground. Deputy Merrick complained of pain to his leg. I immediately assessed Deputy Merrick's condition and provided needed support to him by reclining his back against me. Deputy Merrick's legs were extended, his right foot rested on top of his left leg as it pointed towards the ground in a 90 degree angle.

I remained with Deputy Merrick until Fire Engine 118 under the direction of Captain Vasquez arrived on scene and medically evaluated him Medical personnel transported Deputy Merrick to a hospital for treatment to his injuries.

Due to assisting Deputy Merrick, I did not see or witness any force used on S/Perez.

I immediately reported my actions and involvement to Sergeant [redacted] [redacted].

NARRATIVE

The purpose of this supplemental report is to provide active/additional information regarding my observations and actions regarding the above listed incident.

While assigned as Industry Unit 141, I responded to [redacted] Avenue in East Valinda regarding a deputy involved in a fight assistance request. Shortly after I heard a request via radio for paramedics for a deputy.

I arrived at the indicated location and saw Deputy Merrick (unit 142) on the east sidewalk of [redacted] Avenue. Deputy Merrick appeared in distress and agony. Deputy Merrick complained of pain to his legs and was being held on the ground in a nearly seated position by Deputy Escalante (unit 147B). I saw Deputy Merrick's legs were extended but one of his feet appeared to point in a sideways direction and appeared deformed. I saw several unknown deputies detaining a person (herein referred to as S/Perez) on the sidewalk approximately ten feet south of Deputy Merrick. I focused on containing and securing the scene. I directed fire personnel on scene to render aid to Deputy Merrick and S/Perez.

Fire engine 118 under the command of Captain Vasquez arrived on scene and medically evaluated and treated Deputy Merrick and S/Perez.

I was directed by Sergeant [redacted] (unit 140S) to escort S/Perez to Queen of the Valley Hospital for further medical treatment along with Deputy Malone (unit 141T1) . C.A.R.E. ambulance unit 4419 transported S/Perez while rendering aid.

S/Perez was admitted at Queen of the Valley Hospital under patient #[redacted] and treated by Dr. Gentile. S/Perez was uncooperative with staff personnel and hindered their ability to aid him as he continuously yelled obscenities at them, spat and would not stay still for treatment. I was advised S/Perez had approximately five one inch lacerations on the top of his head, approximately four one inch lacerations to the right side of his forehead and approximately three small lacerations to his right ear. I saw approximately four visible one inch lacerations to the right side of his forehead and blood throughout his head area. I was advised S/Perez required stitches and staples for his injuries but was in stable condition.

At approximately 0530 hours, I was relieved by unit 147 (Deputies Bray and Deputy Rodriguez) who took custody of S/Perez.

I relayed my involvement and observations to Sgt. [redacted] This concluded my involvement in the above incident.
